Live Well.

Mercy's premier retirement communities offer an attractive lease agreement with no upfront payment, allowing you freedom from home ownership with the ability to enjoy the amenities and services you desire in the epitome of gracious, care-free living.

Worry-free.

Mercy's Independent Living communities combine worry-free, maintenance-free living with the retirement lifestyle you have worked so hard to achieve. Retirees live independently in the comfort, style and security of their choice of superb accommodations, while enjoying chef-prepared meals, cultural activities and fellowship. Because Mercy Medical offers other levels of care, residents have priority access to Mercy's continuum, providing you peace of mind.

Family.

Having fewer residences than most retirement communities, Mercy's two Independent Living Retirement Communities foster a neighborly environment and family-like feel. Residents are surrounded by neighbors, friends and family who share similar interests, activities and backgrounds. Both communities are safe, secure and uniquely blend modern convenience with the charm of years past.

Located in the beautiful heart of Mobile's Spring Hill neighborhood, Mercy's Portier Place is within walking distance of churches, libraries, banks, shops and the historic Spring Hill College.

Located in Fairhope, Alabama, one of the most sought after retirement addresses in the nation, Mercy's The Hamlet is a gated retirement community where residents enjoy a beautiful year-round climate, convenient first-class shopping, top-rated golf courses, white sandy beaches and a variety of active senior lifestyles.

At Mercy Medical, *Healthcare is a Ministry.*

*In the tradition
of the Sisters of Mercy*

In 2009 Mercy Medical celebrated 60 years of service to Mobile and Baldwin counties. Mercy's rich history reflects innovations characterized by a creative response to the needs of the community. Faith-based and mission-driven, Mercy Medical continues the healing ministry of Jesus in the tradition of the Sisters of Mercy, through enhancing health and celebrating life.
