Carroll Place

See why Mercy Medical Assisted Living Communities are wonderful places to live!

Independence to make choices

An active lifestyle coupled with good nutrition can lead to a longer, happier and healthier life. The lifestyle goal for Mercy residents is to help them achieve their highest quality of health and enjoy optimum independence by giving them choices. At Mercy, daily scheduled activities include:

Activities & Programs

- Arts & Crafts
- Cards & Games
- Daily Exercise Programs
- Music & Singing Programs
- Bingo & Picnics
- Birthday Celebrations
- Garden Activities
- Weekly Religious Activities
- Shop-n-Lunch Outings
- Community Events

Residents enjoy each meal in an elegant dining room where they are served restaurant-style. Residents may choose their entrees from a menu planned by Mercy's dietary specialists. All meals are well balanced and delicious, and offer appetizing selections. Mercy's dining and dietary services include:

Dining & Dietary Services

- Three, restaurant-style meals served daily in the dining room
- Choice of entrees
- Snacks and juices available daily
- Continental breakfast served in apartment, upon request
- Planned nutritional menus supervised by a registered dietitian
- Special dietary accommodations
- Guest meals available at a reasonable price
