

"Success has nothing to do with what you gain in life or accomplish for yourself. It's what you do for others."
 -Danny Thomas

Mercy Hospice volunteers play a vital role in the care of patients and families. Whether it's providing companionship to a hospice patient, offering comfort to a family member, or helping with errands, hospice volunteers greatly impact another person's quality of life.

Mercy volunteers are from many walks-of-life including homemakers and professionals.

Someone new to the area or that has had a lifestyle change makes an ideal volunteer. Volunteers work a minimum of 2 to 4 volunteer hours per week.

Mercy volunteers inspire, teach, model and enhance the Mercy experience for patients, residents and staff. Volunteers live the Mercy mission.

Volunteers help in many ways including:

- music therapy • pet therapy • reading • life review • bereavement
- socialization • respite • clerical • administrative assistance • breaks for caregivers
- pastoral care

For more information about volunteering call Judy Hazelton at **621-4445** or email **volunteer@mercymedical.com**.
