

*"Success has nothing to do with what you gain in life or accomplish for yourself. It's what you do for others."
-Danny Thomas*

Mercy volunteers play a vital role in the care of patients and residents. Whether it's assisting in rehabilitation, long-term care, assisted living communities, hospice, or helping with fundraising through events and programs, there's a place to serve at Mercy.

Mercy volunteers are from many walks-of-life including homemakers, students, lawyers, college professors, teachers, nurses, physicians, engineers, and others. Someone new to the area or that has had a lifestyle change makes an

ideal volunteer. Other volunteer candidates include high school students in Key Clubs or college students studying nursing, occupational, speech or recreational therapies, or similar rehabilitation fieldwork who need volunteer hours. Volunteers work a minimum of 2 to 4 volunteer hours per week.

Mercy volunteers inspire, teach, model and enhance the Mercy experience for patients, residents and staff. Volunteers live the Mercy mission.

Today, Mercy has more than 150 volunteers that provide more than 700 hours of service each month.

Volunteers help in many ways including:

- music • poker • bingo • pet therapy • transport • lunch trips • feeding • reading • arts & crafts • beauty shop • volleyball • dancing • chorale singing • jazzercise • Uno • socials • baking club • knitting • crocheting • manicures • book reviews • gardening • photo albums • story telling • Origami • bird study • life review • bereavement • socialization • respite • clerical • administrative assistance • event planning
